FOR IMMEDIATE RELEASE

“Around the Horn” Bus Route Stop Opens at Research Boulevard Parking Lot

Fort Collins, CO --- October 9, 2015: On September 25, 2015 the “Around the Horn” bus route made its first stop at the newly completed Research Boulevard parking lot.

The Research Boulevard parking lot features 910 newly constructed parking spaces and will serve the nearby CSU Vet Teaching Hospital and CSU Tennis Facility. The parking lot is a combination of “Z” lot and “Pay-to-Park” parking stalls, motorcycle parking, and bike racks, and will soon include 4 electric vehicle charging stations with the capability to charge 8 cars.

Transfort's “Around the Horn” Bus Route

The addition of the “Around the Horn” bus stop at the Research Boulevard parking lot will allow students to travel between the Main Campus and the South Campus quickly and free of charge. The bus route runs Monday-Friday and will stop at the Research Boulevard parking lot every 10 minutes while school is in session, and every 30 minutes when school is out of session.

Ditesco provided construction management and project management services for this project, and helped to deliver the project on time and within budget.
